## Problem Gambling Counselling & Self-Exclusion Scheme

### COUNSELLING

This hotel has an arrangement with GameCare for the provision of problem gambling treatment services for its patrons.

If gambling is causing you problems and you would like to arrange a face-to-face appointment for self-exclusion or counselling, please contact a GameCare Representative on **1800 99 77 66** for further information.

Alternatively, call Gamblers Help on **1800 858 858** to find your nearest Responsible Gambling funded counsellor who can assist you with your counselling and self-exclusion needs.

### SELF-EXCLUSION

GameCare provides a free service that allows you to voluntarily ban yourself from all or part of this and other venues where gaming occurs – in geographical areas surrounding where you live, work or socialise.

Self-exclusion means you are denying yourself the right to play gaming machines in the clubs and hotels you nominate. This service is provided on behalf of this hotel by the Australian Hotels Association NSW.

You can achieve a self-exclusion either with your local gambling counselling service or at your local club.

For more information, contact our 24-hour toll-free Self-Exclusion Information service on **1800 99 77 66**.
